Preparing a Proposal for a SafiSan Project

Mainstreaming of Hand-Washing within SafiSan Projects

Reminder!

Water Service Providers (WSPs) should ensure that all SafiSan toilets are equipped with a durable hand-washing facility!

Water Service Providers are encouraged to include in the budget they prepare for SafiSan projects:

- ⇒ The estimated costs of laminated hand-washing posters (developed and produced by the WSTF).
- ⇒ The estimated costs of laminated posters on toilet use and cleanliness (developed by the WSTF).
- ⇒ The costs required for the implementation of an effective but modest hand-washing programmes for schools in the SafiSan project areas.

SafiSan projects: More than good toilets!!
