

WATER SECTOR TRUST FUND (WSTF)

Up-Scaling Basic Sanitation for the Urban Poor (UBSUP)

Prepared by Ubsup
Team

Up-Scaling Basic Sanitation for the Urban Poor (UBSUP)

Main objectives of the implementation workshop

1. Raise awareness about the **UBSUP Programme** and its **SafiSan projects**
2. Introduce the key stakeholders relevant to the programme
3. Explaining the various technical options (toilets, transport & treatment)
4. Emphasize the importance of social marketing in sanitation
5. Explain SafiSan project finance principles & procedures
6. Share the various pilot experiences from the pilot towns
7. Explain the phases approach & the support packages WSPs will receive
8. Introduce the County Resident Monitors and the roles they will be playing in the SafiSan Projects
9. Outline the various incentives that are in the UBSUP programme

We are looking forward to your active participation!
