Disbursements: What is the duration?

- WSTF disbursements are stipulated by a **service level agreement** (standard of service delivery)
- A service-level agreement is an agreement between two or more parties, where one is the customer and the others are service providers
- It can be a legally binding, formal or an informal: may involve separate organisations, or different teams within one organization.
- The WSTF to WSP's disbursements are an informally binding arrangement

Causes of delay in fund disbursements

- Delay in requisition by the WSP
- Failure of submitting monthly reports by the WSP
- Lack of financial report attachments in the application by WSP
- Red flag issues (Management, corruption, etc) issues of the WSP
- Slack by employees of WSTF (**red tape and wrong priorities**)

Causes of delay in fund disbursements

- CRM reports – complaints of poor quality work (etc.) by WSTF representatives
- Lack of correlation between % work progress and % funding application
- Presentation of amendments in the contracts
- Delay by WSTF owing to workload, wrong priorities, etc.

Consequences of untimely disbursements

- Increases customer vulnerability to corruption ; among the
 - Social Animators
 - Project Task Team
 - Sanitation Team of the WSP
- Reverses / slows down social marketing
- Destroys customer confidence in the project
- Gives room for misinformation about the project

Consequences of untimely disbursements

- De-motivates the **Project Implementation Team**
- Destroys donor confidence in the WSP and the WSTF
- Elongates the project execution time:
 - Impacts on child mortality
 - Increases staffing costs

What to do when funds are delayed?

- The CRM should assist the WSP in making follow-ups at the WSTF by way of e-mails and telephone calls
- The MD can approach the CEO of the WSTF (complain)
- Visit by CRM to the WSTF offices to resolve the stalemate
- **Any other suggestion?**

Thank You!
